SAFETY RECALL 04506

June 2004

Dear International Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. International has decided that a defect which relates to motor vehicle safety exists in the **seat belt latch** of certain 4000, 7000, and 8000 Series models built 3/22/04 through 4/5/2004. The vehicle identified on the enclosed card fits this description and our records show that you own this vehicle. Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

REASON FOR THIS RECALL

A seat belt latch component that engages the seat belt buckle tongue may break without warning.

RISK TO MOTOR VEHICLE SAFETY

This seat belt may break under nominal seat belt buckle loads, which could result in it becoming unbuckled without warning. In a severe braking event or a vehicle crash, this may increase the risk of serious injury to the unbelted person.

ACTION YOU SHOULD TAKE

1. **Our records show that you are the owner** of the vehicle identified on the enclosed card. **If you are not the owner**, please read paragraph number 6.
2. **Please contact your local International dealer**, with your recall card in hand, to schedule an appointment to have your vehicle repaired.
3. Dealers will have parts and instructions to make the repair by **6/18/2004**. The repair will be performed without charge to you and will take approximately 1 hour. Have your dealer verify and correct your address, if necessary.
4. If your local International dealer performs the repair, they will submit a warranty claim; therefore, you **DO NOT** have to mail in the campaign card.

5. **If the vehicle will not or cannot be corrected**, please mark on the enclosed card under "CHECK ONE", the box which best describes why the vehicle will not be repaired, and return the postage-prepaid card to us.
6. **In the event you do not own the vehicle** described on the card, please complete the card, fill in the new customer name and address if known, and return it to us. This information will allow us to update our records so we can contact the new owner and you will not be contacted again regarding this recall.
