NONCOMPLIANCE RECALL 04519

November 2004

Dear Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. International® has decided that RE School Bus models built 4/1/2004 and 6/16/2004 with dual air tanks (feature code 0004VBX) fail to conform to Federal Motor Vehicle Safety Standard 121 Section 5.1.2.3. The vehicle identified on the enclosed card fits this description and our records show that you own this vehicle. Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

REASON FOR THIS RECALL

Two (2) check valves may not have been installed on the air tanks to isolate the primary and secondary air circuits.

RISK TO MOTOR VEHICLE SAFETY

A leak or failure of either air circuit may cause the spring brakes to automatically actuate. This may result in a **vehicle crash without warning**, possibly resulting in **property damage, personal injury or death**.

ACTION YOU SHOULD TAKE

1. **Our records show that you are the owner** of the vehicle identified on the enclosed card. **If you are not the owner**, please read paragraph number 6.
2. **Please contact your local dealer**, with your recall card in hand, to schedule an appointment to have your vehicle repaired.
3. Dealers will have parts and instructions to make the repair by **11/5/2004**. The repair will be performed without charge to you and will take approximately 30 minutes. Have your dealer verify and correct your address, if necessary.
4. If your local dealer performs the repair, they will submit a warranty claim; therefore, you **DO NOT** have to mail in the campaign card.

5. **If the vehicle will not or cannot be corrected**, please mark on the enclosed card under "CHECK ONE" the box which best describes why the vehicle will not be repaired, and return the postage-prepaid card to us.
1. **In the event you do not own the vehicle** described on the card, please complete the card, fill in the new customer name and address if known, and return it to us. This information will allow us to update our records so we can contact the new owner and you will not be contacted again regarding this recall.
