NONCOMPLIANCE RECALL 03501

February 2003

Dear International Customer:

This noncompliance recall is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. International is recalling 3200, 4200, 4300, and 4400 model vehicles built from 7/16/02 through 1/14/03 that do not have the required components to operate the hydraulic brake warning light. International has decided that these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) 105 section 5.3.1.

Our records show that you are the owner of the vehicle on the enclosed card. If you are not the owner, we need your help finding the current owner; thus, **please** read paragraph number 4 under "ACTIONS YOU SHOULD TAKE."

REASONS FOR THIS RECALL

NONCOMPLIANCE DESCRIPTION

Your vehicle was built without the hydraulic brake monitor module. Without this brake monitor module, the brake warning light will not come on to warn the operator if there is a loss of hydraulic pressure in the brake system, a loss of power steering flow or if the emergency brake booster motor is not functioning.

ACTIONS YOU SHOULD TAKE

1. **Our records show that you are the owner** of the vehicle identified on the enclosed card. **If you are not the owner**, please read paragraph number 4.

2. **Please contact your local International dealer**, with your recall card in hand, to schedule an appointment to have your vehicle repaired. **All vehicles involved in this recall must have the hydraulic brake monitor module installed.** This repair will be performed without charge to you and will take approximately one hour. Have your dealer verify and correct your address if necessary. If your local International dealer performs the repair, they will submit a warranty claim; therefore, you **DO NOT** have to mail in the campaign card.
3. **If the vehicle will not or cannot be corrected**, please mark on the enclosed card under "CHECK ONE", the box which best describes why the vehicle will not be repaired, and return the postage-prepaid card to us.
4. **In the event you do not own the vehicle** described on the card, please complete the card, fill in the new customer name and address if known, and return it to us. This information will allow us to update our records so we can contact the new owner and you will not be contacted again regarding this recall.
