SAFETY RECALL 05519

October 2005

Dear International Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. International® has decided that a defect which relates to motor vehicle safety exists in certain **driver's seat belt tethers** of 5500*i*, 5600*i*, and 9200*i* models built between 8/23/2004 and 9/13/2005 with Sears Atlas 35, 70 and 80 seats. The vehicle identified on the enclosed card fits this description and our records show that you own this vehicle. Federal regulations require that any vehicle lessor receiving this Recall notice must forward a copy of this notice to the lessee within ten days.

REASON FOR THIS RECALL

When certain Sears Atlas seats are in their lowest, most rearward adjusted position they may chafe the seat belt tether that connects from the seat to the back of the cab.

RISK TO MOTOR VEHICLE SAFETY

This chafing may eventually cut through the tether, thus weakening the effectiveness of the seat belt assembly in a vehicle crash, possibly resulting in **property damage, personal injury or death**.

ACTION YOU SHOULD TAKE

1. Our records show that you are the owner of the vehicle identified on the enclosed card. **If you are not the owner, please read paragraph number 6.**
2. **Please contact your local International dealer**, with your recall card in hand, to schedule an appointment to have your vehicle repaired.
3. Dealers will have parts and instructions to make an inspection or repair by **10/7/2005**. The inspection (and repair if needed) will be performed without charge to you and will take approximately **forty-five (45) minutes**.
4. If your local International dealer performs the repair, they will submit a warranty claim; therefore, you **DO NOT** have to mail in the campaign card.

5. **If the vehicle cannot be corrected**, please mark on the enclosed card under "CHECK ONE" the box which best describes why the vehicle can not be repaired, and return the postage-prepaid card to us.
6. **In the event you do not own the vehicle** described on the card, please complete the card, fill in the new customer name and address if known, and return it to us. This information will allow us to update our records so we can contact the new owner and you will not be contacted again regarding this recall.

REIMBURSEMENT OF REPAIRS COMPLETED PRIOR TO THE RELEASE OF THIS RECALL

If you paid to repair your vehicle for this defect prior to receiving this recall letter, you may be eligible for reimbursement of the repair costs if they were incurred between 10/1/2004 and 10/31/2005. Contact your local International dealer, with your original repair documentation and proof of payment, and the service advisor will determine what if any of the repair costs will qualify for reimbursement. International dealers determine what repair costs are eligible for reimbursement. However, if you choose not to work through an International dealer, you may submit the enclosed "REQUEST FOR REIMBURSEMENT" form, repair documentation, and proof of payment to:

International Truck and Engine Corporation
Warranty Claim Center Reimbursement Department
P.O. Box 888
